Celebration of Healthy Pine River. A slide show was presented recognizing and thanking the supporters of HPR throughout the past years. HPR recognizes the contributions of many individuals, groups and organizations that have helped spread the word, identified concerns, addressed problems and worked to restore the Pine River.

Accomplishments and priorities are identified in the annual report. A handout is available if you did not receive the newsletter via e-mail.

Announcement: Earth Day will be celebrated in St Louis with a metal recycle drive. Padnos Central Michigan will be collecting metal and donating proceeds to Healthy Pine River. WMLM will broadcast live from 10am-12 noon with special giveaways.

The group presented Chairperson Gary Rayburn with an award for his dedication, time and boundless energy in leading a small group of concerned neighbors to the 350 plus members of HPR. His ongoing efforts, commitment and work on the groups behalf, has truly made a difference.

Meeting adjourned for cake and ice cream
